I NVITE the attention of the Profession and others
desiring Law Books to their very extensive
stock, which they believe contains the best assortment of American Publications in the United
States. Particular attention given to furnishing or
completing Libraries for the Departments, Associations, end States.

Orders by mail promptly and carefully executed. ENGLISH COMMON LAW REPORTS, 57 volumes, with a complete Index to the first 47 vols.

Since volume 39 of this series, The English Common Law Reports have been reprinted in full. With volume 44 we commenced binding each English volume-separately, instead of, as formerly, two English in one American volume.

Price per set for the first 43 vols. \$3 50 per vol.

The reputation which these Reports maintain in England and in the United States, is known to all the Profession. The low price at which they are offered, compared with the rates of some of the principal American Reports, of even inferior merit, recommends them particularly to the attention of those purchasing libraries.

A GENERAL INDEX To the first forty-seven volumes of THE ENGLISH COMMON LAW REPORTS.

By Hon. George Sharswood and George W. Bid-By Hon. George Sharswood and George W. Biddle, esq.
With this Key to their contents, the English Common Law Reports present to the Profession a mass of legal learning in the shape of Opinions, Dicta, claborate Arguments. &c., &c., sufficient, probably, for the Elucidation and Prosecution or Defence of any case that can arise in our Courts of Law; and being thus made easily and instantly accessible, these Reports will be found so comprehensive, convenient, and cheap, as to supersede the necessity of other and more expensive series.

The Index will be found of great value to all possessing the reports; and of great convenience to those having access to, but not owning the series.

Dr. Martin's Syrup of Wild Cherry and Sar-THE WILD CHERRY AND SARSAPARILLA. THE WILD CHERRY AND SARSAPARILLA, which, on the basis of this preparation, have long been celebrated in Consumption and Scrofula, Diseases of the skin, Coughs, Colds, Spitting of Blood, Asthma, &c. Though this remedy has been but a short time before-the public, yet it has gained perhaps more character and reputation as a curative in those diseases than any remedy of the day. The Bishop of the Protestant Episcopal church, (the Right Rev. W. R. Whittingham.) authorized us to say he has used it in his own person with decided benefit—Dr. S. Harper, of Kent Island, has written to us, he has used it with great success in his practice [see his letter in the pamphilet.] And in a letter from a lady on the Eastern Shore of this State, she says: "I had a letter from Miss E-on Tucsday; she says mother has requested her to say, Isabel derived almost instantaneous relief from DR. MARTIN'S SYRUP OF WILD CHERRY. Her disease was Consumption in its forming stage. The Boonsborough Odd Fellow, of Washington county, Maryland, June 20th, 1848, says: "When an article has afforded relief to so many persons as DR. MARTIN'S COMPOUND SYRUP OF WILD CHERRY has done, we feel bound to make it knewn. There never was an article in this country that has afforded relief and gave more satisfaction than this. In the neighborhood of Brownsville, in this county, it has effected several important cures, and, from our own certain knowledge of it, we pronounce it unequalled for the cure of Coughs, Colds, and diseases of this kind."
